

ABORIGINAL AND TORRES STRAIT ISLANDER CULTURAL ENTERPRISE

The focus of the research will be to develop business opportunities based on Aboriginal culture and traditional knowledge. Existing enterprises based on land management and culture will be researched so as to develop models and approaches that allow Aboriginal people to realise the full economic value of their own culture in a manner that respects its shared ownership and maintenance. This research aims to increase the economic participation of Aboriginal people from cultural knowledge.

NINTI ONE **CRC** REMOTE ECONOMIC PARTICIPATION

www.crc-rep.com.au
